

# SCOPE

A virtual team for primary care providers

Seamless Care Optimizing the Patient Experience  
Streamlined Access to Outpatient Services

## What is SCOPE?

SCOPE is a platform that promotes collaborative work between primary care, hospital services, and community health partners to serve patients with complex needs.

Primary care providers registered with SCOPE can connect to internists, outpatient services, and diagnostic imaging through a single point of access.

Call Mississauga Health SCOPE: (905) 848-7592

### Mississauga Health SCOPE Program

- Direct phone consultations with internist or patient referral for a virtual consult with GIM
- Expedited imaging and reporting for urgent cases
- Provides general advice and assistance navigating hospital and community resources
- Schedule expedited Orthopedic consults for select conditions
- Assists with access to specialist care
- Urgent assessment & management of medical conditions
- Facilitates access to home & community resources for patients with complex care needs

## Mississauga Health SCOPE Launched since March 8, 2023

**Monday to Friday 8:00 AM - 4:00 PM**

Your Patient requests will be responded to  
in a timely manner via phone call

*Feedback is encouraged and appreciated*
