

# REACT Clinic

**Mon-Fri. 8:00am-3:00pm**

To help you manage your symptoms

You must make an appointment to be seen in the REACT clinic.

Please call and leave a message (all calls go to voicemail). A REACT nurse will return your message and advise on next steps.

All patients must call and speak to a REACT nurse before coming into the clinic.

## **REACT will:**

- Provide you with timely response concerns related to your cancer treatment
- Assist in reducing your Emergency Department visits.

## **PLEASE CALL REACT:**

Mon-Fri. 8am-3pm (905) 813-4412 and leave a message. A REACT nurse will return your message as soon as possible.

**Trillium  
Health Partners**

Better Together

# CareChart

**Monday-Friday. 4:00pm-8:30am, Weekends and Statutory Holidays (24 hours)**

The Cancer Centres at Trillium Health Partners have partnered with CareChart and Ontario Health (Cancer Care Ontario), to offer you free after-hours help for managing cancer treatment-related symptoms over the phone and online.

Use CareChart **after clinic hours only**. During the weekdays you should contact the REACT clinic.

**Call CareChart at 1 (877) 681-3057 | Visit [www.carechart.ca](http://www.carechart.ca)  
Use the CareChart Digital Health app**
