

Where to Start... Mastectomy Wear & Breast Prosthetics

Information for people with breast cancer who want to buy mastectomy wear or breast prosthetics

How can I cover the cost of buying mastectomy wear?

Programs that may cover the cost of mastectomy wear include:

- Kelly Shires Breast Cancer Foundation (**bras or tank tops only**)
- Breast Cancer Support Fund (**bras or tank tops only**)
- Ontario Works
- Ontario Disability Support Program

Before you buy any prosthesis or mastectomy wear, please get a quote for the prosthesis or mastectomy wear you want to buy. Submit the quote to one of these programs to see if they can cover the cost.

How can I cover the cost of buying breast prosthetics?

- Use your extended health benefits

If you have extended health benefits, ask your doctor for a prescription for your prosthetic. If you have a prescription, your benefits may cover some or all of the cost of buying your prosthetic. Call your extended health benefit company to find out if your benefit plan covers breast prosthetics.
- Apply for the Government of Ontario's Assistive Devices Program

The Government of Ontario's Assistive Devices Program can cover some of the cost of your breast prosthetics. The store where you buy the prosthetic can help you apply for this program.
- Call your caseworker for Ontario Works or the Ontario Disability Support Program

If you are on Ontario Works or the Ontario Disability Support Program, please call your caseworker to see if there are any other options to help you with the cost of breast prosthetics.

Where can I buy mastectomy wear or breast prosthetics?
