NEW PARKING GARAGE OPENS AT THE QUEENSWAY HEALTH CENTRE

February 15, 2024 (MISSISSAUGA, ON) – On Wednesday, February 14, 2024, Trillium Health Partners (THP) opened its newly constructed 800-spot parking garage at the Queensway Health Centre (QHC). The parking garage is part of THP’s preconstruction activities to prepare for the hospital’s major health infrastructure renewal plan, *Trillium HealthWorks*, and is designed to meet both current and future parking demands.

Trillium HealthWorks will include the expansion of the Queensway Health Centre, which will become The Gilgan Family Queensway Health Centre, and building The Peter Gilgan Mississauga Hospital.

“Opening the parking garage at the Queensway Health Centre marks a significant milestone in our *Trillium HealthWorks* initiative,” said Karli Farrow, President and CEO of Trillium Health Partners. “This state-of-the-art parking garage is a vital component of our preparations for our comprehensive health infrastructure renewal plan, ensuring convenient access to care for our community both now and in the future.”

Preconstruction activities have been underway since the summer of 2021. The new parking garage will offer eight levels of parking and 800 spaces, in addition to about 400 existing surface level spots. Once The Gilgan Family Queensway Health Centre is complete, there will be over 1,400 parking spaces throughout the campus.
