

Importance of Getting a **Fit Kit.**

Importance of Getting a **FIT Kit**.

9 out of 10 people
can be cured if
colon cancer is
caught early.

A FIT Kit is a safe and effective screening test for colon cancer. It checks stool for tiny amounts of blood. A healthcare provider will advise you if further testing (e.g. colonoscopy) is required.

Colorectal cancer is the **second most commonly diagnosed cancer** as well as the **second most common cause of cancer death in Ontario.**
